

SCOTT'S
S E A F O O D
PALO ALTO

November 5, 2009

To whom it may concern,

As General Manager of Scott's Seafood Palo Alto I have had the privilege of presenting the music of **Diminished Blue** in our restaurant over the past 3 years. During that time they have proven to be punctual, reliable, and always entertaining, performing a broad array of musical styles that has found wide appeal with our regular customers. Many of our patrons have grown fond of this musical group and return regularly when they are performing.

Presenting live music is secondary to my responsibilities of managing a busy restaurant and I have sought to work with artists that make this aspect of my job less stressful. **Diminished Blue** have always acquitted themselves as consummate professionals and I have no reservations as to recommending their services to others.

Sincerely,

Kim Ryberg
